Academic CV

Academic work experience

- 2026 **Lecturer**, *POL-2000 Quantitative Methodology*, Laval University
- 2026 **Lecturer and course designer**, *ETI-7034 L'intelligence artificielle et la recherche, École interdisciplinaire outils et méthodes*, Laval University
- 2026 **Lecturer**, *FAS-1001 Introduction to Big Data in Social Sciences*, University of Montreal
- 2025 **Lecturer**, *FAS-1001 Introduction to Big Data in Social Sciences*, University of Montreal
- 2025 **Research assistant**, *Centre for Public Policy Analysis (CAPP)*, Laval University
- 2024 **Teaching Assistant and course design assistant**, *Interactive Visualization, Dashboards, and Apps with R and Shiny*, ICPSR
- 2024 **Teaching Assistant**, *École interdisciplinaire outils et méthodes*, Laval University
- 2024 **Teaching Assistant**, *POL-2000 Quantitative Methodology*, Laval University
- 2024 **Teaching Assistant**, *POL-7004 quantitative analysis*, Laval University
- 2024 **Research assistant**, *Centre for Public Policy Analysis (CAPP)*, Laval University
- 2024 **Research assistant**, *Interdisciplinary Research Center on Africa and the Middle East (CIRAM)*, Laval University
- 2024 **Mentor**, “*Interpret and Explore: Deepening Data Analysis with R*” workshop organized by the Faculty of Social Sciences (FSS), Laval University
- 2024 **Mentor**, *R ‘code-review’ help clinics of the Faculty of Social Sciences (FSS)*, Laval University
- 2023 **Teaching Assistant**, *POL-1005 International Relations and Globalization Challenges*, Laval University
- 2023 **Teaching Assistant**, *POL-2000 Quantitative Methodology*, Laval University
- 2023 **Teaching Assistant**, *POL-2333 International Security*, Laval University
- 2023 **Research assistant**, *Leadership Chair in the Teaching of Digital Social Sciences (CLESSN)*, Laval University

Projects

- 2026 **Co-creator and Project Lead**, *Prof. Datagotchi (prof-datagotchi.com)*, 2026 Quebec election, Centre for Public Policy Analysis (CAPP), Laval University
- 2026 **Deployment Lead**, *La Vitrine démocratique (vitrinedemocratique.com)*, Centre for Public Policy Analysis (CAPP), Laval University
- 2026 **Project Lead**, *Défi Datagotchi Québec (quebec.datagotchi.com)*, 2026 Quebec election, Centre for Public Policy Analysis (CAPP), Laval University

- 2025 **Chief Analyst**, *Défi Datagotchi Canada, 2025 federal election*, Centre for Public Policy Analysis (CAPP), Laval University
- 2024 **Chief Analyst**, *Défi Datagotchi USA, 2024 presidential election*, Centre for Public Policy Analysis (CAPP), Laval University

Higher education

- 2023- **Doctor of Philosophy in Political Science** (Department of Political Science), Laval University
- 2019-2021 **Master of International Peace Studies** (School of International Peace Studies), Soka University
- 2018 **Certificate in International Relations** (School of Applied Politics), Sherbrooke University
- 2015-2017 **Bachelor in East Asian Studies** (Asian Studies Center), University of Montreal

Scholarships

- 2025-2028 **Canada Graduate Scholarships - Doctoral (SSHRC)** (Social Sciences and Humanities Research Council of Canada), Canada, *CAD 120,000*
- 2025-2029 **Research Doctoral Grant - FRQSC (Declined in favor of SSHRC)** (Quebec Research Fund - Society and Culture), Quebec, *CAD 100,000*
- 2023-2025 **Doctoral Admission Grant** (Department of Political Science), Laval University (Quebec), *CAD 30,000*
- 2023-2025 **Success Grant** (Faculty of Graduate and Postdoctoral Studies), Laval University (Quebec), *CAD 14,000*
- 2019-2021 **Makiguchi Foundation for Education International Students Scholarship** (Soka University), Japan, *JPY 2,680,000 (approx. CAD 25,100)*
- 2016-2017 **Mobility Grant** (Ministry of Education of Quebec), Quebec, *CAD 8,000*
- 2016-2017 **Student Exchange Support Program Grant** (Japan Student Services Organization (JASSO)), Japan, *JPY 960,000 (approx. CAD 8,900)*

Publications

Peer-reviewed journals

Packages, Libraries, and Software

- [1] M. Foisy, L. (2025). ces: Access to Canadian Election Study Data. Available from: CRAN. <https://cran.r-project.org/web/packages/ces/>

Planned publications

- [1] Gilbert, J., Ouellet, C., Pelletier, C., Vincent, S., M. Foisy, L. & Dufresne, Y. (submitted). A Tale of Two Algorithms: ChatGPT vs. Classic Sociological Regression Models for Predicting Vote Intentions.

Conferences & invited talks

Conferences

P: presentation, R: redaction of paper

- 2026 MapleMeth Annual Conference^{PR}
- 2026 Conférence annuelle de l'Association canadienne de science politique^{PR}
- 2025 Midwest Political Science Association: Annual Meeting Conference^{PR}
- 2025 MapleMeth Annual Conference, Simon Fraser University, Vancouver, British Columbia^{PR}
- 2024 Conférence annuelle de l'Association canadienne de science politique^{PR}
- 2024 Southern Political Science Association: Annual Meeting Conference^{PR}

Invited talks

- 2024 Initiation à l'analyse de données avec R, Faculty of Social Sciences Workshop, Laval University
- 2023 Le référencement, Quantitative Methodology Class, Laval University

Research groups & committees

Memberships CLESSN, CAPP, GRCP, CECD, OBIVA, CIEQ

- 2024 Member of the Scientific Committee, Interdisciplinary Conference on International Studies, Graduate School of International Studies

Teaching experience

Courses taught

Term	University	Course name
Fall 2026	Laval University	Quantitative Methodology
Winter 2026	University of Montreal	Introduction to Big Data in Social Sciences
Winter 2025	University of Montreal	Introduction to Big Data in Social Sciences
Lecturer		

Additional training (selection)

Methods training

2023 **Distinguer la cause de l'effet: causalité et expérimentation**, École interdisciplinaire outils et méthodes
